What happens after the Training Adventure Weekend?

A Graduation Ceremony is held within 1-2 weeks after the Training Adventure Weekend for the New Warriors. Family and friends are welcome and encouraged to attend. Soon after the graduation, for a fee, the New Warriors can join in an Integration Training that is designed to reinforce and deepen the rapid learning done on the Adventure Weekend. After graduation, New Warriors join the New Warrior Community, which meet weekly and many other times throughout the year, at local, regional and international levels to do New Warrior work.
